Mr. Dale Willhite,
Plant Manager
Frito-Lay, Inc.
8734 Bellanca Avenue
Los Angeles, California 90045

Dear Mr. Willhite:

Here is the analysis result of your recent sample of THERMINOL FR-2 heat transfer liquid.

Property	Sample
Moisture	42 ppm
Acid Number	0.04 mgKOH over gm
Viscosity @ 100°F.	64 centipoises

The liquid is in satisfactory condition for continued service. Feel free to send a sample at any time. The Fluids Specialist for your area is Mr. Don Eriksen, and if he can be of service, by all means contact him at Monsanto Company, 6670 East Flotilla Street, Los Angeles, California. His telephone number is (213) RA. 3-2492.

Best wishes for a happy Holiday Season.

Cordially,

S. Shaw
Market Specialist
Functional Fluids
