What's New in the Energy Tracker

Dear Brittany,

It's been a busy few weeks in energy policy and litigation—by our count, the busiest stretch yet during the Trump Administration. Below is just a *small fraction* of the activity appearing in the latest update of the [Global Energy Institute – Beveridge & Diamond Energy Tracker](#).

As a one-stop shop for monitoring key energy policy and litigation activities, the [Tracker](#) can also bring you up to speed on these, and less noticed developments as well.

Sincerely,

Dan Byers
Vice President Policy

P.S. Please share the [Tracker](#) updates with co-workers and colleagues interested in following the latest in energy policy!
