

One of your neighbors is re-roofing now with
USG® ASPHALT SHINGLES

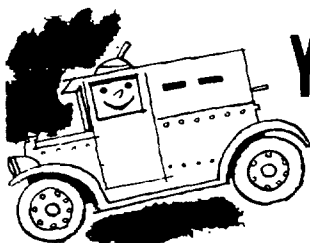

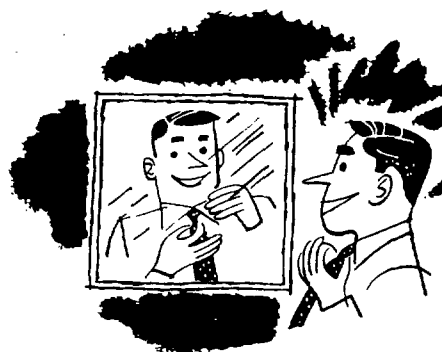

WATCH OUT!

A weak roof can result in costly wind or water damage. A dried-out roof invites fire damage.

SPRUCE UP!

You'll be surprised at the added beauty your home will take on with a new roof of USG Asphalt Shingles.

YOU'RE MONEY AHEAD!

Keep your home in good condition. Protect your investment in better living.

FREE ROOF INSPECTION—NO OBLIGATION

*Fill in and mail
this card today!*

As a service to you, we offer absolutely FREE an expert inspection of: 1. Shingles 2. Flashing 3. Valleys and other possible trouble spots in the roof of your house. There's no obligation, of course.
