Dear Dr. Kehoe:

As you had assumed, Allen Brandt and I had discussed the matter of your letter concerning papers assembled for the 1945 AIHA meeting prior to his transmittal of his letter of March 8 to you.

It seems to me that the suggestion included in your letter of March 22 is just the way to take care of these papers. As chairman of the Editorial Committee of the AIHA, I will see to it that the author's wishes are followed in the matter of medium of publication or that appropriate suggestions in this regard be made where necessary.

Very truly yours,

Warren A. Cook
