SHERWIN-WILLIAMS PAINTS & VARNISHES

The walls of this room were beautified and made sanitary with Sherwin-Williams Flat-tone. They can be cleaned with soap and water, and are just as durable as they are attractive.

You can obtain similar results if you use, or ask your painter to use Flat-tone. It is made in liquid form in 24 soft, restful colors that are permanent and washable. Flat-tone lasts for years, but you never grow tired of the artistic flat effects.

Call for a color-card. We sell Sherwin-Williams Paints and Varnishes because they give such excellent results.
