Wouldn't you like new floors —woodwork—furniture?

YOU can have them; for a trifling cost in
money and an hour or two of pleasant, in-
teresting work. A can of Tufcote will help
you work wonders around the house, touching
up dingy woodwork, floors, furniture. Once
you've used it, you'll always keep it handy.

And, for a note of color that will lighten up a
whole room, there's nothing better than du
Pont Colored Enamels. They will give you
most artistic effects.

Drop in and ask us about them.
