Good afternoon and may I say Happy New Year to you and your staff at EPA. I would like to know if there will ever be any openings for the positions of Environmental Protection Specialist in OPPTS or in OPP. If so I would love to work for the EPA as I have a vast background in Pesticides and Toxic Substances as well as CWA, CAA, NEPA, SDWA, RCRA, and I have a very knowledgeable background of the models (Pesticides Models) that EPA uses in their Environmental Risk Assessments.

Please send me an email reply to this message as I would enjoy hearing from you.

Sincerely,

Ex. 6
