

Brake Shoe and Foundry Company formed a subsidiary named the American Brake Materials Corporation, which was incorporated in New York. In 1933, the American Brake Materials Corporation changed its name to the American Brakeblok Corporation. In 1937, the American Brakeblok Corporation was merged into The American Brake Shoe and Foundry Company to be operated as the American Brakeblok Division of that company. In 1943, The American Brake Shoe and Foundry Company changed its name to The American Brake Shoe Company. In 1966, The American Brake Shoe Company changed its name to Abex Corporation.

5. Whether you have controlled, purchased or in any way acquired any interest in any corporation or business entity which has mined, manufactured, produced, processed, compounded, converted, sold, merchandised, supplied, distributed, and/or otherwise placed in the stream of commerce, raw asbestos or finished asbestos products and if so, state:

(a) The name and address of said corporation or business entity;

(b) The date(s) you controlled, purchased or acquired any interest;

(c) The manner of acquisition, including percentage of ownership;

(d) Identify all documents with respect to the above.

ANSWER: No.

6. State whether you have at any time directly or indirectly been engaged in the mining, manufacturing, producing, processing, compounding, converting, selling, merchandising, supplying, distributing, and/or otherwise placing in the stream of commerce or raw asbestos or finished asbestos products. If so, be specific in your answer and state as to each such asbestos product:
