Thank you Leila, I will get that fixed right away, thank you for catching that!

I can absolutely do a conference call on either of those days at that time. Am I able to invite our internal comms person so that he can answer any questions on that front? Thank you in advance!

Best regards,

Thanks for your patience. This is approved. But I believe you need the word "the" added to their titles -- Secretary of "the" Interior and same for Salazar.

Any chance you're available on Thursday or Friday at noon (eastern time) for a quick conference call with our team (staff advance, external affairs, press, and security) regarding the event -- just to discuss who you're inviting, press component, format, etc so our entire team can get briefed? If that day/time doesn't work we can also explore next week.

Thank you!

Hi Leila,

Attached is the updated invitation. As I mentioned the content is all the same, it's just a format change. Let me know if your office is okay with this. We would like to get this out as soon as possible since the date is quickly approaching. Thank you in advance!
