VISTA

CMA will be sponsoring, in conjunction with EPA, a 2 1/2 day TSCA seminar on October 2-4 in Washington, D. C. The seminar will involve broad overviews of the act as well as very specific compliance issues. Advance agendas will be available in June.

You should put this seminar in your planning, (budgets, etc.) as it will be a valuable opportunity to increase TSCA expertise and learn about specific compliance and inventory issues.
