Dear Ms. Dominiak:

As part of the activity of TRP, Asahi Glass Co., Ltd. is providing the information of our products based on telomer chemistry. This information pertains to our products that are exported to the United States of America and is supplemental to information we provided to you on March 19, 2003. It covers both polymeric and non-polymeric products.

Please find enclosed both CBI and company sanitized versions.

Please contact me at your convenience if you have any questions.

Sincerely yours,

Seiji Shinya
