INTER-DEPARTMENT COMMUNICATION

To Mr. John M. Stackhouse, Director, Agriculture Date September 1, 1970

From: R. M. Weimer, Assistant Chief, Foods, Dairies, & Drugs

Subject: Milk from Franklin S. Humphrey herd

Samples of milk from this farm on the dates indicated revealed a level of Aroclor 1254 in amounts above the administrative tolerance.

It is recommended that this producer again be exluded from marketing such milk.

7-7-70 .23 ppm Aroclor 1254

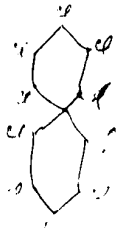

7-28-70 .27 ppm Aroclor 1254

Thanks,

Max
