OSHA Final Ruling on Asbestos Exposure Federal Register, Friday, June 20, 1986	July 2, 1986

To: Mr. J. L. Anderson - Hillsboro #257
Mr. J. A. Burke - Riverside #260
Dr. B. H. Jo - BB 2126

Circulating File Copy: Mr. L. C. Ambler - Please note and return.
If you have need for a copy,
let me know. JPM 7/2/86

Enclosed is a copy of the final OSHA ruling on asbestos. It is very important that you familiarize yourself with these regulations and identify those locations, if any, that exist in your plant that will not be in compliance.

I'll be in touch with you later to discuss this subject in detail. It is quite possible that we will have to hold a joint meeting to discuss this whole situation.
