Asbestosis Problem
Zonolite - Libby, Montana

Dear Mr. Cahalane:

Attached as I promised are copies of recent letters written on the Welch case. I have asked Marsh & McLennan to try and obtain for me, and we will pass copies on to you, the State Board reports indicating the severe dust problems at Libby. The interpretation of the Montana Compensation Act in regard to apportionment and Second Injury Fund seems to leave the whole Welch claim in our laps. Maryland has given us their opinions in their letter of January 26, 1968, which is attached.

Very truly yours,

W. R. GRACE & CO.
