Hey there! He can make the 10:30, but has a commitment he needs to head out for around 11:15. Is that OK if we raincheck on lunch?

Tate,

The Governor would like to do an early working lunch. The meeting can begin at 10:30 a.m. and then an early lunch at 11:00 a.m. Would that work with Administrator Pruitt's schedule?

Including the Attorney General and the Ag Commissioner will be fine. I'm happy to reach out to their office.

Thanks!

Tammie

Do you mind if we include, in addition to the DEQ, the AG and Ag Commissioner as well? If that is ok, we are happy to reach out and relay the meeting information or your office can. Defer to you on how best to handle.

Thanks! Millan, can you provide the other requested information?

Hey there! Can I give you a shout in the AM?

Looking into the 28th now to get the two of them together on WOTUS if that's at all possible?

Hey Tammie,

The White House is now asking to meet that day. Sorry for the fire drill. Can I circle back later in the week to reschedule to a different time?
