**Subject:** 2 quick questions

1. Antidegradation- any updates? Think we can get a call scheduled between somebody in your shop and our water team?

2. Corn Oil 1- My understanding of where the issue stands right now (in coordination with Ernst & Grassley's office) is that we are waiting on more information and/or a decision from Mandy at EPA. My boss is planning on mentioning to Sec. Pruitt that we are eager to see that issue resolved. Any updates from your end on that?

Thanks!  
Stephanie
