Re: Nevada Power Company v. Monsanto Company, et al.  
USDC, District of Nevada Case CV-S-89-555-LDG (LRL)

Dear Peggy,

Friday evening July 23, 1993, we received the materials provided to Nevada Power relating to Westinghouse's in camera submission to the court. It appears that the "report detailing the results of its [Westinghouse's] investigation into the continued existence of PCB, dioxin and furan documents specifically referenced in plaintiff's Exhibit 1212" as described in your cover letter to the court, was not included.

Please promptly clarify whether Westinghouse intended to provide this report to Nevada Power and if so, advise where the report should be located in the materials sent. If it was inadvertently excluded, we would appreciate it if you would send a copy by fax or hand delivery as soon as possible.

Sincerely,

BRADLEY & MERRELL
