**COOPER INDUSTRIES, LTD.
PRODUCTS, MARKETS AND DISTRIBUTION METHODS BY SEGMENT**

**Electrical Products
Major Products and Brands**

Access Cabinets and E2 Cabinets electrical enclosures	IRiS lighting systems
Arktite plugs and receptacles	JSB, LummoX and Menvier emergency lighting and fire detection systems
Arrow-Hart wiring devices	Karp, Edison, Mercury and B&S electrical fuses
AtLite commercial, exit and emergency lighting	Kearney fuses, connectors, tools and switches
B-Line support systems, enclosures, fasteners	Kyle distribution switchgear
Blessing, CSA, Pretronica and Univel emergency lighting and power systems	Limitron electric fuses
Bussmann and Buss electrical and electronic fuses	Little Brother electrical control panels
Cam-Lok electrical connectors	Low-Peak electric fuses
Capri-Codec cable accessories and flexible conduits	Lumière specification grade landscape lighting
CEAG emergency lighting systems and explosion protected electrical materials	Magnum terminal strips and disconnect blocks
Cent-R-Rail and Redi-Rail metal rack units and cable trays	McGraw-Edison and Lumark indoor and outdoor lighting
Champ and Hazard-Gard HID and fluorescent lighting	McGraw-Edison and RTE transformer components, cable accessories and fuses
Coiltronics inductors and transformers	Metalux fluorescent lighting
Combined Technologies current-limiting fuses	Mini-Line molded-to-cable miniature connectors
Condulet fittings and outlet bodies	MWS modular wiring systems
Cooper Power Systems distribution transformers, power capacitors, voltage regulators, surge arresters and SCADA master stations	Myers electrical hubs
Cooper Wiring Devices circuit protective devices	Nortem electrical construction materials
Corelite and Neo-Ray indirect lighting products	NOVA reclosers, sectionalizers and switches
Crompton lighting fixtures and specialty lamps	Optima fuseholders
Crouse-Hinds and CEAG electrical construction materials and	Portfolio architectural recessed lighting
Crouse-Hinds aviation lighting products	Posi-Break electrical connectors
CUBEFuse fuses, fuse holders and fuse boxes	Posi-Lok electrical panel units
DLS electrical wiring and control systems	Power-Lock wiring devices, receptacles, caps and covers
Domex electrical construction materials	PowerPlus panel boards
Dura-Copper and Dura-Green epoxy coatings	PowerStor carbon aerogel supercapacitors
Eagle wiring devices, sockets and switches	Regalsafe signaling and life saving apparatus
Edison and Edison Pro relays and fusegear	Regent security lighting systems
Edison Series Metering residential and commercial meter bases	Royer wiring devices, sockets and switches
Eletromec DIN style fuses	Scantronic and Menvier security systems
Emerald consumer recessed and track lighting	Shaper specification and commercial grade lighting fixtures
EMSA power transformers	Shock Sentry sockets, connectors, and wall plates
EnKlosures electrical enclosures	SpecOne controls, lighting, plugs and receptacles
Envirotemp dielectric fluids	Streetworks outdoor lighting
Fail-Safe high abuse, clean room and vandal-resistant lighting fixtures	Sure-Lites exit and emergency lighting
Fullcon, Nugelec and Transmould fire detection systems	SurgBloc electrical voltage receptacles and surge suppressors
Fusetron electric fuses and protectors	Thepitt electrical outlet and switch boxes
Glocoil electric heating elements	TransX transient voltage protection devices
Halo recessed and track lighting fixtures	UltraSIL surge arresters
Hart-Lock electrical receptacles, caps, connectors and accessories	VariGap and VariStar surge arresters
INVUE architectural lighting	Willsher & Quick electrical enclosures
