Subject: RE: Potential visit to NH in Feb.

Mac,

We can definitely make a meeting work when either David Ross or I are in New England later this month. Crystal Penman and Ann Campbell handle schedule and logistics for both David and myself. Let's figure out what would work best for all of us.

Regards,
Lee

Hey Mac!

I wanted to e-introduce you to Lee Forsgren (cc'd), a deputy and great asset in our Office of Water. Lee and our newly Senate-confirmed head of the Office of Water, Dave Ross, will be in New England in late January (sooner than the Feb visit!) and would be happy to meet with your Water Managers while they are in town re MS4. Would the Governor's office like to facilitate this meeting? If so, Lee will be your best POC.

We think this will be the best use of everyone's time as the agency and the Governor's office work together on various issues, including the Administrator's upcoming visit.

Hang in there during session!

Tate
