Schedule of Equipment Rental Rates Maintained, Fueled and Operated

CONDITIONS AND BASIS OF RENTAL

1. Straight time wages of operators are included in hourly rates. If overtime worked, premium portion of wages will be charged in addition to hourly rates.
2. Transportation of equipment and component parts to and from jobsite for customer's account.
3. A 3 hour minimum per day charge will apply to all equipment listed above, unless noted with an asterisk.
4. An 8 hour per day minimum will apply for the first day's rental period. For every day worked thereafter, the rental period shall be the hours actually worked.
5. Hauling units noted with a double asterisk for loads in excess of 200,000 pounds will be priced on request.
6. For units with no prices shown or for units not listed in this list, prices furnished upon request.
