Re: Documents For Inclusion In Administrative Record 226

Dear Ms. Dominiak:

Enclosed for inclusion in Administrative Record 226 is an extra copy of our March 6, 2001, letter and attachments that already exist within AR50639A. These documents are the documents that USEPA decided to include within the public files after considering confidentiality claims by DuPont. DuPont's letter on the CBI issue also is enclosed. Thank you.

Very truly yours,

Robert A. Bilott
