

July 12, 1965

Dr. Rutherford T. Johnstone
Brockman Building
520 West Seventh Street
Los Angeles, California 90014

Dear Doctor Johnstone:

Your letter of July 12th addressed to Dr. Kehoe in regard to the article in the New England Journal of Medicine arrived during his vacation. I shall bring it to his attention when he returns to the city on August 10th and trust that he will have time to answer it before he leaves for South America on August 17th.

Very truly yours,

Secretary
