Sounds great.

My name is John Gerard Cramton for security purposes.

Many a DOE meeting has been ruined by submitting me as Jack.

Kevin-

I have a conflict at 3:00, would 2:00 work by chance?

Kevin-

Would love to connect. My evenings are rough next week, but I'm happy to come to Forrestal. How's Thursday afternoon look?

Jack, Kevin is Trump Vance campaign alumni and has moved over to DoE, where he serves as CoS to Deputy Undersecretary for Infrastructure Steve Winberg. He is working to garner input from trade associations and industry as he builds out the office priorities.

Kevin, Jack, and I worked together on a campaign many moons ago and also at DoE in the first Trump administration, Jack ran Senate affairs in the Office of Congressional and Intergovernmental Affairs, and he is now Vice President of Federal Affairs at API.

How does next week after work look to get together? I'm flexible on Monday, Tuesday, Wednesday, and Thursday (head to India the week after).

Looking forward to it.

Best,
Dane
