Importance: Normal

Thank you so much, Samantha. We're so pleased to know this!

It's nice to meet you by way of this email, Leila!

Can you confirm the Secretary is interested in serving as the keynote speaker for dinner on Saturday evening, or is there another slot in which he is most interested?

We appreciate your attention and I look forward to receiving the headshot and bio when you're able.

Hope your week is off to a great start!

All the best,
Jennifer

Thank you Jennifer,

Secretary Bernhardt appreciates the invite and would like to participate. I've copied Leila Getto here to help with coordination.

We will submit your form to ethics and general law for our normal scheduling process. Once we have their approval we can proceed.

Thanks,
Sam

Should he be able to participate, we would appreciate if you could share with us an official headshot and bio at your earliest convenience, and also let us know the protocol for receiving further approval in sharing his name/likeness as we promote the Summit.

Thank you in advance.
