

18:07:10 BY MR. DeLUCA:

13:18:07:20 Q I am asking you just for the purposes of
13:18:13:30 my question to assume that they did know, wouldn't
13:18:20:40 you have wanted to know that?

13:18:22:50 A Not particularly. I -- we have more
13:18:24:60 things going on than just asbestos and whatnot.
13:18:28:70 You get hit by a car. I thought we were -- I
13:18:31:80 thought we at Bendix were doing a good job
13:18:33:90 developing good quality brake linings to stop cars
13:18:35:00 safely and all that. But the fact that they had
13:18:37:10 asbestos in them, I didn't think had anything to
13:18:41:20 do.

13:18:41:30 Q I am just saying --

13:18:43:40 A And I don't think that they did.

13:18:45:50 Q And you haven't reviewed any of their
13:19:21:60 documents on that issue?

13:19:21:70 A Unless they were brought up at one of the
13:19:21:80 depositions.

13:19:21:90 Q Sir, I want to show you a letter dated
13:19:32:00 September 12th, 1966.

13:19:32:10 MR. MENDRZYCKI: I am just going to

13:19:32:20 object to this letter being shown on the
13:19:32:30 screen. There has been no foundation
13:19:32:40 established. Object to the authenticity
