

1 things which are good skills for a single person who
2 doesn't want to eat hot dogs and hamburgers all of the
3 time.

4 My father was very strong, also, in
5 education. I knew when I was seven years old, I
6 talked with my parents, that I was going to an ivy
7 league school.

8 Q Why is that?

9 A I just knew it was important, and my father
10 felt that his investment was in me.

11 Q How far did your father go in school?

12 A I think he started off -- I think at least
13 to the 7th and then he went to some further to finish
14 high school, I believe. I don't really know for
15 sure.

16 I do know he had a lot of sisters and
17 brothers and he quit work to -- I mean, he stopped
18 schooling in order to help take care of them, and I
19 guess that was a blessing in disguise because my
20 mother and him would shift.

21 He would frequently take care of me and
