Hi Leila,

I hope you are doing well. I am reaching out on behalf of Jeff Shellebarger, President of Chevron North America Exploration and Production Company, to request a meeting with Secretary Ryan Zinke. Mr. Shellebarger will be in Washington on Friday, June 8<sup>th</sup> and Monday, June 11<sup>th</sup> and is available to meet. He would appreciate the opportunity to update the Secretary on Chevron's domestic footprint, including in the Gulf of Mexico and Permian Basin, discuss the Department's proposed National Outer Continental Shelf Oil and Gas Leasing Program, as well as discuss the issue of financial assurance as it relates to offshore energy production.

Attached you will find the Department's completed meeting request form. For your reference, I have also included a formal meeting request letter from Maria Pica Karp, Vice President and General Manager of Chevron Government Affairs.

Please let me know if you have any questions or need anything further. I look forward to hearing from you.

Thank you,  
Shawn
