Subject: Two invitations

David,

I hope we did not confuse things with two (2) different invitations we have sent you.

The first was for ACE '18 involving a program with our CEO on Tuesday of that week in June. If you were to stay the whole week, you are also invited to meet with our Water Utility Council (WUC) which meets on Thursday, June 14th that same week.

In addition, we have invited you to address the same Water Utility Council at its April 19th meeting, here in Washington at the Wink Hotel, the same session at which Peter and Andrew will be speaking too. We could also have you on April 20th if that was necessary to accommodate your schedule.

So the immediate question is: which WUC meeting (or both or neither) might you be able to attend? If it is the April 19th session, it would be helpful to know soon since we need to get the agenda out to the WUC members.

I hope this helps. Thanks, again.

Tracy
