Gentlemen:

We will insulate the above referenced project applying Pabco Cal-Temp Calcium Silicate Insulation and finished with a metal jacket, for the total sum of $26,700. We will do the same job for $21,900; however, in lieu of Pabco Cal-Temp Insulation, we will apply Certain Teed 850 Snap*On Pipe Insulation.

If you have any questions, please call me.

Yours very truly,
