Dear Dr. Kehoe:

I enclose herewith complete transcript of testimony in the Robinson case given to us by Mr. Wilsdon. The interesting points are the testimonies of Norris, Grimes and Gettler which I believe you have not seen.

My understanding is that the Referee affirmed his previous finding.

Mr. Wilsdon requests that you comment on the testimony and return it to us as it is his only copy.

Very truly yours,

Graham Edgar.

According to the transcript of
testimony you made a few
odd statements!*
