Tony, the last report to you was April 5, 1991. It is my understanding from your conversation with Pat O'Krongly of this office, that the subject did not work with your company. Please see Mr. Baum's letter dated August 21, 1991 and provide him with an affidavit so that he can attempt to dismiss your company from this action.

I will report to you again November 15, 1991.
