Hi Audrey,

Yes, that's perfect! The only meeting I can't move tomorrow is from 11am to noon Eastern. Otherwise, I'll be able to pick up whenever you call.

Best,
Travis

Dear Audrey,

Great seeing you on Sunday night in Houston.

Per our chat, I'm writing to introduce you to my good friend, Travis Fisher.

As I mentioned, Travis is razor sharp. He worked at the FERC under James Danly. He's now at Cato. He also knows far more about electricity markets than me.

I believe it to y'all to follow up.

All the best
rb
