Gary Smith. President and CEO of PowerSouth Energy Coop. He is so excited about potentially meeting Scott Pruitt. Huge fan.

Gary Smith Bio: Gary Smith was appointed PowerSouth's President and Chief Executive Officer in 2000. He joined PowerSouth as Staff Attorney in 1989. Smith was appointed Director of Legal Affairs in 1991 and Vice President of Legal and Corporate Affairs in 1996. A graduate of the University of North Alabama, he received a bachelor's degree in accounting and economics. He earned a juris doctor degree from the Cumberland School of Law.

PowerSouth Energy Cooperative, headquartered in Andalusia, Alabama, is a 2500 MW generation and transmission (G&T) cooperative providing the wholesale power needs of 20 distribution members — 16 electric cooperatives and four municipal electric systems — in Alabama and northwest Florida. PowerSouth serves 1,000,000 end users. PowerSouth owns and operates coal, natural gas, hydro, compressed air energy storage and wind generation facilities. The company also has a 5% interest in the two new nuclear units being constructed at Plant Vogtle in Georgia.
