I don't think I have seen the word Heaven and the Shanghai Health Study in the same paragraph before.

Congratulations, Howard. You and your colleagues have earned a spot in Heaven. BUT, don't run off just yet. I think we can all expect more adventures and misadventures with the SHS. Look forward to working with you, the OC and others to get this across the finish line

The mutually agreed upon API-Cinpathogen contract was sent to Cinpathogen for signature a short time ago. I will advise you when it is fully executed.
