

(Drislane - Purcell)

1 excerpts from scientific publications that deal with
2 alternatives to asbestos?

3 MR. FRIESTEDT: Objection to form.

4 A Not that I recall, but I may have.

5 Q Did you ever work with anyone at Hill and
6 Knowlton, Incorporated?

7 A Hill and Knowlton was a -- PR outfit in New York
8 City, I believe;; is that right?

9 Q Yes.

10 A They were Johns-Manville's PR people. I didn't
11 work for them. A gentleman at Hill and Knowlton sat down and
12 talked with me one time. I never worked with them, they
13 never -- they never got a contract out of us.

14 Q When did you sit down and speak with Hill and
15 Knowlton?

16 A Back when this asbestos thing was starting to come
17 on board because --

18 Q When would that be?

19 A '72, '73, is that about right? I mean, let me
20 know if my answers come out right.

21 Q Who arranged for your meeting with Hill and
22 Knowlton?

23 A Someone at JM.
