Good Morning, Travis ~

It was a pleasure meeting you last week.

As we discussed, I would like to schedule a follow-up meeting with you regarding CCRs with my colleagues at Duke, Vistra, USWAG, NRECA and LCRA. The group represents a wide range of power sector business models, and we're all impacted significantly by EPA's CCR rules and programs.

Please let me know when it would work for your schedule to meet. The sooner the better given the significant amount of work that needs to be done.

Thank you!
