Dear BCR members and colleagues,

In the annex you can find the final agenda for the open BCR meeting on PFAS of this Wednesday.
Please note that the meeting will be hybrid, however we would like to ask the BCR members to be present physically so
we can have fruitful discussions with the stakeholders.

Don't hesitate to contact me if you have any other questions.

Kind regards,

■■■■■

Dear BCR members and colleagues,

In the annex you can find the draft agenda of the second open ad-hoc BCR meeting on the PFAS restriction that will be held next week. Please note we are still awaiting confirmation of one stakeholder so the final agenda might still shift a bit.

Note that the meeting will be held in our offices in Brussels and will start at 09:30.

After the interventions of the stakeholders we would also like to have a short closed session to discuss the open BCR interventions, as well as discuss the PFHxA restriction dossier.

Kind regards,

■■■■■
