Dear Administrator Pruitt:

On behalf of Kentucky Farm Bureau, I want to thank you for taking time out of your busy schedule to speak during our Commodity Luncheon at the Kentucky Farm Bureau Annual Meeting. Your commitment to the use of sound science, and working with farmers and landowners to achieve environmental protection resonated with our members. The farming community understands how important it is to protect and improve our environment, and as you stated, working together we can continue strong economic growth while protecting the environment.

I welcome the opportunity to work with you in the coming year and invite you to call me any time I can be of service. Thank you again for speaking to our members. I wish you and your family the best during the holiday season.

Sincerely,
