It is a "go" which means I have management approval to chair the Technical Committee for the Shanghai Benzene Consortium.

I will need all of the help I can get. See you(Bruce, talk to you)Thursday. I will be arriving that morning before 8 am due to my time change/shortness of flying time. See you at New Fields office.

Lorraine,

I got your voicemail about the Oversight Cmte. Meeting at Purple Sage. I can attend if needed on the 31st, however, I need to be in Houston CoP HQ the Feb. 1, by 10am.

I look forward to working with all of you.

Thanks,

Patsy:

We will be voting as Technical Committee on Thurs to recommend Jennifer as the new chair.

I think this is a good idea. Jennifer should be OK and it is important to keep you as Chair of the Steering Committee.

Let me know if you feel differently.

I expect to check email sometime tomorrow night before the Thurs meeting.

Thanks

Stuart
