61V - VICTOPAC ENDS

May 24, 1968

Henry Dehr

Attached is an inventory of Victopac ends accumulated here after cutting sheets for specific gasket requirements. Do these have any value in your operation? If not, then we will fiberize and send to you in that manner.

W. J. Sheehan

WJS:cm

cc: D. R. Tarne

Don, if Henry's answer to this is negative, then our cost on specific numbers must be revised to recognize this factor.
