Re: Missouri Water Environment Association
Gold and Silver Pretreatment Awards

Dear Mr. Cheever:

The MWEA Industrial Waste Committee conducts an annual state wide awards program to recognize industries for outstanding achievement in pretreatment. Your company has been nominated by your local pretreatment coordinator and chosen by the committee to receive a Silver Award Certificate for pretreatment achievements during 1994. Award certificates will be presented at the MWEA 1995 Annual Conference. This year's conference will be held at the Lodge of the Four Seasons with the presentations scheduled during lunch Monday April 10, 1995. We invite you to the conference to receive this award in person. Certificates will be mailed to recipients unable to attend. In addition to the awards program the Industrial Waste Committee is hosting a series of talks and discussion sessions on Monday and Tuesday April 10 and 11 respectively.

If you have any questions or require further information about the conference please feel free to call George Abbott, Industrial Waste Committee chairman, at (816) 796-7317. I hope to see you at the Annual Meeting.

Sincerely,

Corrie Helber
