Good Afternoon,

It has come to our attention that a coalition of constituents from Congressman Langworthy's district (NY-23) have sent a petition to Federal Aviation Administrator Chris Rocheleau, dated March 5, 2025 titled:

A PETITION TO IMMEDIATELY SUSPEND, REVIEW, AND REVOKE FEDERAL AUTHORIZATIONS AND ONGOING PERMITTING PROCESSES IN CONNECTION WITH THE ALLE-CATT WIND PROJECT IN WESTERN NEW YORK AND TO ADDRESS CONSTITUTIONAL ISSUES.

It is our understanding that the FAA has received this petition (attached) and it is in the process of consideration. I am reaching out today to request a status update and any other information you all can provide on whether FAA is considering this petition, looking into the underlying concerns alleged as they relate to the project's FAA permitting, and the petition's request for action against the project?

Thank you for your assistance,

Will Smith
Legislative Director
Representative Nick Langworthy (NY-23)
