SCPA letter to EPA Adm Pruitt..docx

Hi Ryan, Byron and Sydney. I have the pleasure of getting to work with Rebeckah in government relations at CropLife America. I look forward to getting to know you better and developing a working relationship.

Rebeckah has forwarded an invitation (attached) from the Southern Crop Production Association (SCPA) inviting Administrator Pruitt to visit with their membership during their annual DC fly-in on May 3. I sincerely hope that the Administrator has some time in his schedule to accept this invitation.

I remain available to discuss this meeting request at your convenience.

Regards, Beau.

Ryan, Byron and Sydney-

The Southern Crop Production Association (SCPA) asked CLA to ensure the Administrator receives this invitation for him to address this important regional group at their DC fly-in next month. (OK is covered by SCPA).

Thanks to your office for considering the request and let me know if you have questions or need additional details.

Kindly,
