INJURIES AND/OR DAMAGES—BASIC LOSS INFORMATION:

~~See prior Loss Notice dated 12/21/93. All the liens, both medical and disability, have been settled and paid. Our attorney is now trying to obtain Approval on the Compromise and Release from the WCAB, since this was held up previously due to the outstanding liens. Predictably, the WCAB is slow to act on our requests for Approval. Once this is received, however, the file can be closed (after the Award has been paid out).~~
