I would love that. Please place me in the meeting. Steve is a great guy and worked in the EPA his whole career before being nominated for Administrator.

Subject: Request from (Former) Administrator Stephen Johnson

Administrator Stephen Johnson called this morning. He would like to schedule a call to talk to Administrator Pruitt. Mr. Johnson wanted to point out that he has not been critical of Administrator Pruitt and supports what he is doing. He mentioned that he knows “where the warts are in the agency” and hopes to be of help.

Ryan, if you are okay with this being set up please let us know. Thank you.

Tom thank you very much for this. This will be helpful for the Committee consideration. Can you fashion the attached as a letter though with your signature so I can forward it to the committee so they can know it just came directly from you?
