Re: DuPont vs Tuller & Moosman

Dear Mr. Spargo:

The New York office of the DuPont Company was served with a subpoena a few days ago by the Commissioner of Accounts of the City of New York, in which an examination of your office is sought concerning the paints supplied to the Queens General Hospital, which is the subject of the above action.

Before subjecting anyone here to such an examination, I had a conference with the Attorney for the general contractor to find out what is behind the examination. That conference disclosed a situation that I think should be considered by you.

Pending a discussion between us I have prevailed upon the Commissioner of Accounts to defer such examination for about a week or ten days. If you plan to be in New York within the next few days, please let me hear from you at your very earliest convenience.

With kindest regards, I am,

Very truly yours,
