Hi John,

I hope this note finds you well. I am writing to request a meeting with the Administrator on behalf of my client, the American Coalition for Clean Coal Electricity (ACCCE). The purpose of the meeting is to introduce ACCCE's new CEO, Paul Bailey, and discuss various policy initiatives.

By way of background, ACCCE is a partnership of the industries involved in producing electricity from coal. It's membership largely consists of coal producers, railroads and utilities.

Please feel free to contact me directly at 202-486-0521 if you have any questions. Thank you for your help and thoughtful consideration.

Dear Sydney and Michelle,

On behalf of Roy Bailey I am writing to you to reschedule the meeting with Administrator Pruitt for this week. The Administrator and Mr. Bailey spoke recently and discussed this request. Mr. Kirk just happens to be in the East this week and wondered if the Administrator would be open to meet with Mr. Kirk and Mr. Bailey on the morning of the 17th or 18th. Mr. Kirk needs to be in New York City the afternoon of the 17th. That is why we choose those dates. Please let us know if either Wednesday or Thursday morning will work or what you might have to offer.

I look forward to hearing from you soon so, we may make plans.

Sincerely,

Gay
