the 40,021 acres he now has there under lease. Because, he forgot about Rio Vista, Green estimates he has lost what might have been \$100,000,000 in royalties. That is the way gas and oil men talk.

His buttes fields supply natural gas today for Marysville and Yuba City through P.G.&E. lines. Their production is 4,000,000 cubic feet a day. The new wells at Corning, capped and awaiting

The picture now is one P.G.&E. watching the gas well discoveries with some interest, but skeptical of the size of the final output.

Green is a respected and industrious operator. His company's latest stock offering was subscribed and closed in quick time. He has no doubts about the great supply of gas. He thinks that the way the buttes poke out
