Mr. James S. Krick,
Ethyl Gasoline Corporation,
115 N. Clinton Street,
Olean, New York.

Dear Mr. Krick:

Thanks for your letter of February 15, with its complete and satisfactory explanation of your dealings with Mr. [REDACTED] and his doctor. I felt reasonably certain that there was some such explanation, but on account of the importance of such matter, I felt it was rather necessary to make sure promptly.

I am in no wise critical of what you have done, since it was in complete accord with the policies we have discussed, both verbally and in the safety manual.

Sincerely yours,

Robert A. Kehoe, M. D.
