

19-K **Public Works Show May 14**

The Northern California chapter of the American Public Works Association equipment and products show will be held May 14 at the Oakland Coliseum.

Paul Salata, president, will recall a amusing anecdote about his former career with the San Francisco 49er football team and then launch into a serious look at public works from a business viewpoint.

Construction and maintenance equipment and office equipment supplies will be exhibited at the all-day show.

Reservations for luncheon can be obtained from George Gardner, Public Works Department, 120 Vista Ave., Piedmont.
